I'd like to take this opportunity to say thank you for the excellent care Neo has received over the last three years. He will miss all his friends at Sandringham. I also feel the care he has received has put him in good stead for starting school in September, which he is very excited about. And a big thank you to you Natalie. I know you and Neo have built a fantastic relationship. You made his early days at Sandringham easier for me, knowing he was in your care. The nursery is very lucky to have you!

**Helen Cowley, mum to Neo.**

Evie has really enjoyed her time at nursery and we as parents, have been more than happy with the quality of care provided (don't know who will be more unhappy about leaving - Evie or us!) Please send our thanks to the staff for all their help with looking after Evie. **Richard Lewis, dad to Evie.**

I'm sure we'll say it many times before Katie leaves but whilst writing I wanted to formally thank you for the kindness the team has shown to Katie over 4 years - I can't believe that it is almost time for her to move on but I have no doubt of the huge part Sandringham has played in

creating the confident, happy little girl we have today – sincere thanks.
